The National School of Languages, Linguistics and Translation of the National Autonomous University of Mexico through the Mediateca invites to the Independent Learning Association Conference - ILA 2020 in collaboration with IATEFL Learner Autonomy Special Interest Group (LASIG) with the theme “Developing Learner Autonomy in Language Learning”.

This three-day conference will take place in the facilities of the National School of Languages, Linguistics and Translation from June 29 to July 1st, 2020. The main aim of the event is to offer the national and international community of academics and practitioners interested in autonomous language learning an environment for a fruitful exchange of ideas and best practices. It will provide a platform for reflection and the opening of potential future collaborations and professional networks.
